

P2P BRIDGE Webinar Series

Red Flags in the Real World

Case-Based Scenarios for Buprenorphine Dispensing for Opioid Use Disorder

Activity Overview

This live activity is part of the Pharmacist to Pharmacist Buprenorphine Resource Initiative for Dispensing Guidance and Education (P2P BRIDGE) series. In this webinar, community pharmacists and buprenorphine prescribers will discuss real-world patient cases where they will identify red flags related to buprenorphine prescriptions and discuss strategies for resolving them. Participants will be able to interact with the panelists and ask questions to better understand red flags and improve their decision-making process for buprenorphine dispensing to ensure patient safety and benefit.
